Interested in art?

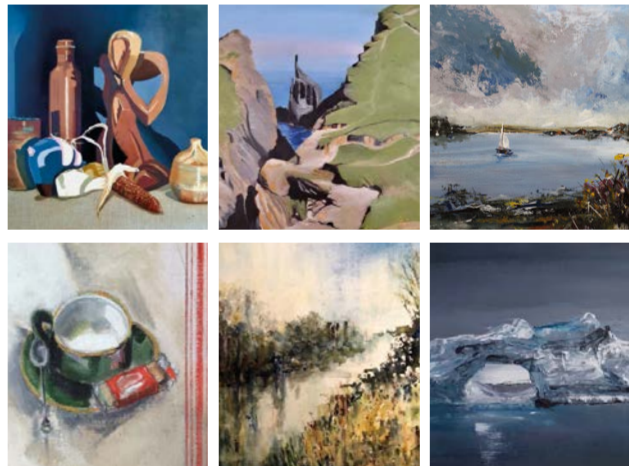

The Chichester Art Society was founded in 1939 and is at the heart of the art community in Chichester and the surrounding area. The Society offers a friendly welcome to all artists and provides a varied programme of demonstrations, talks, workshops and sketching outings for members and visitors. Our annual summer exhibition, open to all members, is held in the Oxmarket Contemporary, Chichester.

Throughout the year we offer:

- Fortnightly demonstrations and talks by visiting professional artists sharing their knowledge on a range of subjects and mediums, held on alternate Thursday mornings and evenings
- One day workshops with professional art tutors, a great opportunity to develop new skills
- A weekly drop in session 'Painting with Friends', where our artists meet up to paint and share their knowledge and experience
- Summer sketching outings

- A reference and borrowing library of art books
- A members' summer exhibition at the Oxmarket Contemporary, Chichester, offering the opportunity to display and sell work
- Our venue is the Basil Shippam Centre, Tozer Way, Chichester PO19 7LG, providing easy access with free parking
